Tuition assurance

The IIA-Australia is covered by the Australian Government's Tuition Protection Service (TPS) – Higher Education.

If you are a domestic up-front fee-paying student who is unable to complete your course due to IIA-Australia defaulting (ceasing to commence or deliver your course or closing entirely), you will be assisted under tuition protection arrangements.

More information can be found at the [Tuition Assurance Service \(TPS\)](#) website. Please also refer to the [Tuition Protection Privacy Notice](#) and [Privacy and Security of Information Policy](#) for important information relating to how your personal information will be used in respect of the IIA-Australia's tuition protection obligations.

The relevant pieces of legislation are the Education Legislation Amendment (*Up-front Payments Tuition Protection*) Act 2020, and the *Higher Education (Up-front Payments Tuition Protection Levy)* Act 2020, and the *Guidelines made in 2020*.

Membership

By enrolling in a module of the GradCertIA, candidates who are not current financial members will automatically be registered as a 'GradCertIA non-member' of IIA-Australia for the duration of their candidature (unless they become a member whilst studying) and receive access to all necessary resources for the program. This does not include other member benefits such as discounts for events and courses.

Fees for GradCertIA

The tuition fee for each module of the Graduate Certificate in Internal Auditing is published on the IIA-Australia website: <https://iia.org.au/>, fees must be paid in full upon enrolment. The enrolment period commences eight weeks before the semester commencement date. Specific dates are published on the IIA-Australia website.

Tuition fees do not attract the Australian Goods and Services Tax.

Deferrals

Candidates wishing to defer their candidature following the start of the semester must apply to the Registrar. Applications must be in the form of a statutory declaration setting out the circumstances they wish to have considered with supporting evidence attached.

If the Registrar receives the application:

- ❖ after the start of semester and up to Week 4, and confirms in writing that deferral has been approved, the candidate is able to defer. In this instance, 20% of the module tuition fee will be deducted and the balance held in credit for 12 months. Credits will be forfeited if not used within 12 months.
- ❖ after Week 4 and up to Week 8, and confirms in writing that deferral has been approved, the candidate is able to defer. In this instance, 50% of the module tuition fee will be deducted and the balance held in credit for 12 months. Credits will be forfeited if not used within 12 months.
- ❖ after Week 8 (the census date), no deferrals are possible. No tuition fees will be refunded if a candidate withdraws from a module after Week 8. Candidates who have not submitted their Assignment 2 without deferring or withdrawing from the module will be awarded a 'Fail' grade for the module.
